Child care in our toddler room is offered every Sunday morning for both the 9am and 11:15 am service.

- Child must be registered prior to drop off in the toddler room.
- Registration can be completed at the check-in desk.
- Our toddler room is staffed by two paid caregivers and a small team of youth group volunteers.
- All Children's Ministry staff members have undergone a background check and have completed the Anglican Diocese of the Mid-Atlantic Protecting God's Children training course.

## Learning

- During your child's time in our toddler room, they will experience play based learning, sing songs and hear Bible stories. A new Bible story is part of our curriculum every Sunday morning.
- To ensure a clean play area, please no food or drinks in the classroom.
