

OPPORTUNITIES FOR ENGAGEMENT AND SERVICE

WOMEN'S MINISTRY

WHAT?

The women's ministry is a team ministry around the person of Christ. Women serve in innumerable capacities, which include:

- Prayer team: serve at gatherings to provide prayer for individual women; ongoing prayer for the women and activities of the ministry.
- Hospitality: host or serve on a team for open houses, small groups, retreat, quiet days, etc.
- Administration and communication.
- Meal ministry: prepare or send meal card to families with new baby, sickness, surgery, etc.
- Retreat planning and ministry team.

WHEN?

Time commitments vary depending on the event, need, and availability of women. We know that seasons change the capacity to serve.

HOW?

There is always room for the gifts, energy and devotion of women - to serve in existing ministries and to envision new ministries. Let's have coffee! Email kdoster@ctkalexandria.org.
